COMMITMENT TO CLUB: On joining the L.R.A.F.C. I undertake to make every effort to be available for selection throughout the season and will play for whichever team I am selected. L.R.A.F.C. has a long-standing tradition in playing fixtures across the country, and I confirm my availability for such matches. I also undertake to make every effort to attend and support non-footballing functions organised by L.R.A.F.C.

New members, proposers, and seconders are reminded of Club Rules 19 and 20:

19. No new member shall be asked to play in any match unless his subscription and entrance fees are paid within a month of his election and no member shall be asked to play in any match if his subscription has not been paid by 1st October.
20. The proposer and seconder of any new member who fails to pay his entrance fee and/or subscriptions shall each be held liable for the whole of the same up to and including the entrance fee and the first three years' subscriptions.

NOTE: Sportsmanship on and off the field, and post-match hospitality are long-standing traditions of the Ramblers which new members are expected to uphold. Full Ramblers kit must be worn at all times: off the field dress for matches, particularly against school sides, may be casual but smart (no jeans).

Application forms must now have attached to them a completed standing order form.

When completed this form should be handed to your captain to be forwarded to the secretary.
